

usage guide

SKIN TYPES

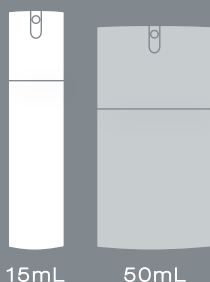

All skin types.

SKIN CONCERNS

Fine lines + wrinkles
Sun damage
Dry + dehydrated
Dullness
Dark circles + puffiness

15mL airless packaging protects against oxidation, contamination and product wastage, and features a fill level indicator window.

firming eye lift

A multi-peptide eye cream to improve the look of crow's feet, wrinkles, dark circles and puffiness.

DESCRIPTION

An ultra-hydrating eye cream enriched with a Multi-Peptide Complex that lifts and firms the eye area by helping to stimulate elastin and collagen production. An innovative Australian-first ingredient combats stress-induced collagen loss and boosts skin density. The potent blend of active ingredients targets crow's feet, under-eye wrinkles, dehydration, dark circles and puffiness, resulting in smoother, brighter skin.

BENEFITS

- Firms and lifts the delicate eye area
- Helps smooth fine lines in seven days
- Fights stress-induced collagen loss
- Improves skin elasticity
- Targets dark circles and puffiness
- Provides anti-pollution protection
- Boosts hydration
- Lightweight, quick-absorbing formula
- Silicone free

KEY INGREDIENTS

Multi-Peptide Complex

- Boosts and protects collagen production
- Stimulates and strengthens skin renewal
- Protects and detoxifies UV-damaged proteins and balances melanin content of dark circles
- Helps brighten, repair, strengthen and nourish the skin

Biphenyl Azepanyl Methanone (Molecule)

- Helps to downregulate the level of cortisol in the skin to fight stress-induced collagen loss and skin thinning
- Improves skin elasticity, skin density and skin barrier function
- Reduces Transepidermal Water Loss (TEWL) and the appearance of wrinkles

Artichoke Extract

- Stimulates circulation
- Anti-inflammatory properties to help reduce swelling and puffiness
- Detoxifies, rejuvenates and visibly brightens the eye area

Caffeine

- Increases the cutaneous microcirculation
- Helps tighten the skin and boost circulation
- Powerful antioxidant that protects against free radical damage

Hyaluronic Acid

- Intensely hydrates by binding and retaining moisture in the skin
- Supports the formation and maintenance of collagen, increasing skin firmness
- Softens and smooths the skin
- Prevents Transepidermal Water Loss (TEWL) by reinforcing the cell cohesion in the epidermis

Dunaliella Salina Extract

- Energises and protects mitochondria
- Stimulates epidermal renewal

Vitamin B5 (Panthenol)

- Hydrates, softens and soothes the skin
- Restores moisture to the skin barrier
- Aids tissue repair and promotes wound healing

Vitamin E

- Antioxidant to help protect the skin from free radical damage
- Improves overall skin health
- Adds moisture to dull, dry skin by preventing water loss
- Reduces the appearance of wrinkles

DIRECTIONS FOR USE

Gently apply to the eye area in the [AM](#) and [PM](#).
