

usage guide

SKIN TYPES

All skin types. Ideal for acne-prone, oily or sensitive skin.

SKIN CONCERNS

Redness + rosacea

Acne + breakouts

200mL tube with removable twist cap.

soothing gel

A multi-use face and body gel that quickly soothes inflamed or irritated skin.

DESCRIPTION

A soothing face and body gel enriched with Aloe Vera, Pepper Berry and White Tea that quickly calms inflamed or irritated skin. It can be used as a water-based moisturiser for oily or acne-prone skin, offering hydration without adding excess oil, or after professional skin treatments, laser procedures or hair removal. Anti-inflammatory ingredients make it ideal even for the most sensitive skin types.

BENEFITS

- Light, water-based hydration
- Provides immediate soothing action to irritated or inflamed skin
- Antibacterial, antiseptic and anti-inflammatory properties
- Antioxidants help protect against free radical damage
- Calms the skin following peels, laser, IPL, microplus+, hair removal and radiation treatments
- Can be refrigerated and applied cold for enhanced cooling action

KEY INGREDIENTS

Aloe Vera

- Anti-inflammatory, antioxidant, antibacterial and antiseptic benefits
- Boosts hydration, restores suppleness and reduces flaking
- Soothes irritated skin and promotes wound healing
- Helps stimulate cell rejuvenation

Pepper Berry

- Provides immediate soothing action to itching and burning skin sensations
- Rich in potent antioxidants, protecting cells from oxidative damage
- Contains an anti-inflammatory mediator known to strengthen capillaries

White Tea

- Powerful antioxidant that helps protect against free radical damage
- Supports the health and quantity of collagen, promoting firmness and elasticity
- Antibacterial and anti-inflammatory properties help reduce acne and redness

Vitamin B5 (Panthenol)

- Hydrates, softens and soothes the skin
- Restores moisture to the skin barrier
- Aids tissue repair and promotes wound healing

Vitamin E

- Antioxidant to help protect the skin from free radical damage
- Improves overall skin health
- Adds moisture to dull, dry skin by preventing water loss
- Reduces the appearance of wrinkles

Balm Mint Extract

- Helps to calm and soothe acne-prone skin
- Clarifies and tones the skin
- Natural antibacterial and anti-inflammatory properties

Sage Extract

- Helps regulate sebum production in oily complexions
- Contains antioxidants to provide the skin with natural protection against free radicals
- Antiseptic and anti-inflammatory properties

Allantoin

- Aids healing and soothes the skin
- Reinforces the skin's natural protective barrier and improves its moisture retention

DIRECTIONS FOR USE

Apply liberally as required. For use as a moisturiser for oily or acne-prone skin, apply after serums and before SPF.

Professional use:

- Apply in the three days following any asap peel
- Apply after the removal of the AHA/BHA mask
