## hydrating night repair+

A regenerative night cream with Glycolic Acid and an anti-ageing peptide to renew the skin overnight.

### DESCRIPTION

This powerful night cream is formulated with Glycolic Acid, an anti-ageing peptide and antioxidants to renew and regenerate the skin overnight. It visibly smooths the appearance of fine lines and wrinkles while providing intense hydration, leaving the skin fresher and more radiant by the morning.

### BENEFITS

- Smooths the appearance of fine lines and wrinkles
- Stimulates collagen and elastin production
- Hydrates and nourishes
- Renews and repairs overnight
- Helps protect against free radical damage

### KEY INGREDIENTS

#### 12% Glycolic Acid

- 12% Glycolic Acid buffered complex gently exfoliates and removes dead skin cells to improve skin tone and texture
- Promotes cell renewal and stimulates collagen production
- Improves the appearance of sun damage and hyperpigmentation
- As the smallest Alpha Hydroxy Acid (AHA) available, it has the most effective skin penetration

#### Neuropeptide

- Powerful anti-ageing peptide that smooths the appearance of fine lines and wrinkles
- Decreases wrinkle depth by up to 15% in seven days
- Improves skin elasticity and texture
- Helps the skin better defend itself from environmental aggressors
- Nourishes and promotes optimal skin health

#### White Tea

- Powerful antioxidant that helps protect against free radical damage
- Supports the health and quantity of collagen, promoting firmness and elasticity
- Antibacterial and anti-inflammatory properties

#### Lavender Flower Extract

- Regulates skin function
- Anti-inflammatory and antibacterial properties that stimulate cellular growth and regeneration
- Enhances the naturally occurring nocturnal molecular process that helps skin repair and detox
- Works overnight to leave skin more refreshed, renewed and illuminated
- A powerful antioxidant that helps to prevent and reduce oxidative stress

## Essential Oil Blend

- A unique blend of Orange, Lemon Myrtle, Lemongrass, Lime, and Ginger
  - Cleansing, clarifying and antioxidant properties
- 

## DIRECTIONS FOR USE

Apply in the [PM](#) after serums. For very dry skin, it can be applied after **ultimate hydration** to boost moisture levels.

For sensitive or compromised skin, a slow introduction is recommended, gradually increasing as tolerated.
