

## usage guide

### SKIN TYPES

All skin types.

### SKIN CONCERNS

Fine lines + wrinkles  
Hyperpigmentation  
Sun damage  
Dry + dehydrated  
Acne + breakouts  
Textural irregularities  
Dullness

130mL bottle with flip-top lid and compression pump for efficient application and minimal wastage.

50mL

130mL

## liquid platinum

An advanced exfoliating treatment that refines and regenerates the skin overnight for a fresh, radiant glow.

### DESCRIPTION

This advanced exfoliating treatment is formulated with Glycolic Acid and potent antioxidant Larch Wood Extract to refine and regenerate the skin overnight, revealing a fresh, radiant glow. It gently exfoliates dead skin cells, stimulates collagen production, and improves product absorption through its low-pH delivery. The multi-action formula strengthens the skin's barrier, locks in moisture and reduces the appearance of hyperpigmentation, fine lines and wrinkles.

### BENEFITS

- Gently exfoliates dead skin cells to improve skin tone and texture
- Promotes collagen production and increases cell turnover
- Brightens the skin and reduces the appearance of hyperpigmentation without causing cutaneous irritation
- Locks in moisture and strengthens the skin's barrier function
- Improves the penetration of subsequently applied active products

### KEY INGREDIENTS

#### AHA (Glycolic Acid) Complex

- Exfoliates and removes dead skin cells
- Increases cell turnover by 21%
- Slow-release delivery system reduces irritation and discomfort
- Prepares the skin's surface for improved penetration of subsequent products
- Promotes collagen production and is a potent skin renewal accelerator

#### Larch Wood Extract

- Brightens the skin by decreasing melanin concentration by up to 73% without causing any cutaneous irritation
- A potent antioxidant that helps protect DNA from oxidative stress
- Anti-ageing efficacy by inhibiting Matrix Metalloproteinase-1 (MMP-1) and increasing total collagen synthesis
- Promotes a radiant, smooth and more even complexion

#### Saccharide Isomerate

- A nourishing plant-derived, skin-identical complex
- Reduces the signs of dry skin by up to 20% in 4 weeks, providing long-lasting hydration
- Connects perfectly with the skin's surface layers to lock in moisture
- Strengthens the skin's barrier function
- Skin becomes visibly smoother

## Arginine

- An essential amino acid that assists with growth and healing
  - Boosts the skin's own Natural Moisture Factor (NMF), helping to improve hydration
  - Supports collagen production
  - Antioxidant properties
- 

## DIRECTIONS FOR USE

Apply in the [PM](#) after thoroughly cleansing and patting the skin dry. Soak a cotton pad in the solution and apply to face, neck and décolletage. Leave to absorb into the skin. Do not rinse. Apply 2-3 times per week, gradually increasing the usage as tolerated.

---

## PRECAUTIONS

When using products containing AHAs, always apply sunscreen and limit sun exposure.
