Sun damage
Redness + rosacea
Dry + dehydrated
Acne + breakouts

75mL pump action tube.

SPF50+ moisturising defence

A very high-protection, hydrating sunscreen enriched with antioxidants to help prevent premature skin ageing.

DESCRIPTION

A hydrating SPF50+ facial sunscreen that delivers broad-spectrum protection from damaging UVA/UVB rays and helps protect the skin from premature skin ageing. This primer, moisturiser and SPF offers lightweight, sheer coverage and is enriched with antioxidants for added skin benefits.

BENEFITS

- SPF50+ broad spectrum UVA and UVB protection
- Lightweight, sheer coverage that absorbs quickly into the skin
- Hydrates and locks in moisture
- Helps prevent and protect the skin from premature skin ageing
- No white cast and shine-free formulation
- Enriched with antioxidants

KEY INGREDIENTS

Aloe Vera

- Anti-inflammatory, antioxidant, antibacterial and antiseptic benefits
- Boosts hydration, restores suppleness and reduces flaking
- Soothes irritated skin and promotes wound healing
- Helps stimulate cell rejuvenation

Vitamin E

- Antioxidant to help protect the skin from free radical damage
- Improves overall skin health
- Adds moisture to dull, dry skin by preventing water loss
- Reduces the appearance of wrinkles

Sunscreen

- Broad-spectrum protection from both sunburn and sunburn-related skin conditions typically associated with UVB, as well as premature ageing typically associated with UVA
- Chemical blockers provide maximum protection with no white cast
- UVA filters: Butyl Methoxydibenzoylmethane (Avobenzone)
- UVB filters: Homosalate, Octocrylene, Octyl Salicylate (Ethylhexyl Salicylate)

DIRECTIONS FOR USE

Apply daily to face, neck and décolletage as the final step in your skincare routine. Apply 20 minutes prior to sun exposure and reapply as required throughout the day. Store below 30°C. Always read the label and follow the directions for use.

PRECAUTIONS

Sunscreen is only one component of sun protection so wear a hat, eyewear, and protective clothing. Avoid prolonged sun exposure and seek shade.
